

Comprehensive Verb Practice, English to Latin (Without Irregulars or Deponents)

This exercise tests your knowledge of almost all verb-forms, including verbals, using some standard paradigm-words. If you are slow to get the meanings of these forms, you should practice writing out more verb-paradigms until you can interpret these words *instantaneously* and *effortlessly*.

1 x will be placed	44 [having been] taken	88 [I ask who or what] has been placed	130 x had been placed
